CANNABIS DROPS WITH CANNABIDIOL PRODUCED FROM **FULLY-CONTROLLED RAW MATERIALS**

Particularly suitable for problems with stress, anxiety and insomnia. The drops have a positive effect on the body after increased physical exertion, for various neurological problems and chronic pain, for pain due to migraine or premenstrual syndrome. The product is not indicated for the diagnosis, treatment or prevention of any disease.

APPLICATION METHOD:

Take with a meal; apply a drop under the tongue or swallow.

PUUREX 5% up to 1-4 drops 3 times daily
PUUREX 15% up to 1-3 drops 3 times daily

THC 0%

Puurex products are manufactured from top-quality varieties of cannabis growing in the Czech Republic, a country known worldwide to have one of the highest safety and quality standards for CBD products. CBD does not have psychotropic effects even in higher doses and maintains a natural balance without any feeling of being dazed. A special extraction method developed in collaboration with the Czech Academy of Sciences.

PUUREX
